Whenever existence of bonded labour comes to notice, the concerned State Government is requested to take immediate appropriate action to liberate them. Employment of children below 14 years of age in carpet weaving is banned under the Child Labour (Prohibition & Regulation) Act, 1986. Labour enforcement machinery conducts inspections and prosecutes offenders whenever cases of violation are detected.

Under the National Child Labour Policy, in the Varansi Mirzapur area, education and other facilities are being provided in 20 special schools for 1000 children removed from employment in carpet industry.
